Countries for Designation:

Trade Mark Details:

What is the trade mark you wish to register overseas?

If filing through the Madrid Protocol please also advise:

Australian Trade Mark Number:

If your Australian Trade Mark is a logo depicted in colour and you **do not** wish the colours to be a feature of the trade mark internationally, please forward a **black & white** copy of your logo, as we will amend this in Australia before filling your international trade mark application.

Do you wish to include all of your Australian classes of goods and services? **YES** **NO**

If **NO** please advise which of your Australian classes are to be included in your international application, or describe the goods/services to be included in your international application.

Fees & Payment Terms:

Please refer to the original quote provided to you.
